Safety Director of the Year Award

The DCA Safety Director of the Year Award is designed to recognize the importance of the safety director's role in today's construction industry. This award recognizes: Innovation, Program Effectiveness, Reduction in Property Damages and Fleet Accidents, Cost Reduction through Safety, Personal Profile and Personal Accomplishments. The recipient of this award receives a cash prize of \$1,000 and a commemorative plaque, to be awarded during the DCA Safety Congress. The winners are selected by a peer review of DCA Safety Directors and the DCA Safety Committee.
